Advance Notice

New Zealand Camino author Jennifer Andrewes is scheduled to give a presentation at our November meeting. She has walked the following Caminos: Chemin Le Puy-en-Velay, Vezelay, and Via de la Plata plus the via Francigena from Canterbury.

Christchurch City Libraries has all three of her books. There will be time for a Q and A.

Future Topic

Early next year we wish to feature worthwhile apps for use on your Camino. Apps can be useful in : finding information about your chosen Camino (History, terrain, distance between towns), Travel, Accommodation, Finding your way, off line maps, between pilgrim communication, directions around town upon arrival, etc.

Physical SIM cards and eSIMs will also be discussed.

It is envisaged that in one session up to 2 maybe 3 apps will be presented by each presenter. In Session 2 there would be a workshop where attendees would elect to further their knowledge, download and explore the apps.

If you would like to share your apps with the group please contact Philip at: chchcaminogroup@gmail.com
